Company	
,	
Address	
	Postcode
3. What is the nature of your query/complaint?	?
4. Are you happy for us to disclose your details to another trading standards service so	
that they may raise your specific complaint in discussions with the business?	
Yes	No

This information is being accepted under the terms of the Primary Authority arrangement that West Berkshire District Council has with the UK Material Handling Association (www.ukmha.org.uk). Each submission made will be assessed and, where appropriate, we will liaise with the local trading standards service where the business is based. Unfortunately we are not able to become involved in individual contractual disputes.
